Subject: Intimation of Partial disruption of operations at Solapur plant

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; this is to inform that, the supply of Liquefied Petroleum Gas ('LPG') has been affected following disruptions in global energy supply chains linked to the Middle East conflict. Consequently, the manufacturing operations at the Company's Solapur plant have been temporarily affected and may experience partial disruption if the situation does not improve.

Our team is continuously in touch with our suppliers & all available sources to secure LPG & avoid a production shutdown. However, due to the extreme scarcity of LPG in the market, the situation remains highly critical and unpredictable.

Necessary updates will be disseminated on the stock exchanges as and when required.

Thanking you,

For **Precision Camshafts Limited**
